

Vocab. Mini Project Options (6)

Section 1

1. Create your own quizlet of all of the vocab. Practice the words.

Expectations- In 1 (ONE) email send me the LINK to your quizlet and the screenshot. The screenshot must include THE ENTIRE SCREEN- see example below. The screenshot is of a TEST that includes all of the words in the list. The test must be formatted as the writing option where you are given the English and you type the Spanish. Take a screenshot of a score of 90% or higher. **IF ANY PART OF THIS IS DONE INCORRECTLY, IT WILL BE CONSIDERED LATE! PLEASE READ AND FOLLOW THE DIRECTIONS!**

2. Make a physical set of notecards using every word.

Expectations- One side needs to have the Spanish word and the other side needs to have a picture or the word in English. You may use the picture from the vocab. sheet that was given to you in class. Study the words. Then have a parent sign off that they have tested you on these words. **IF ANY PART OF THIS IS DONE INCORRECTLY, IT WILL BE CONSIDERED LATE! PLEASE READ AND FOLLOW THE DIRECTIONS!**

Section 2

3. Create a crossword puzzle using the vocab words/phrases from the unit. Give me a copy of a blank crossword puzzle along with an answer key. **The answer key MUST be filled out by YOU!** **You must create actual hints that are not just translations or use images-they must be sentences in Spanish.** Minimum of 20 words

4. Create a word search puzzle using the vocab words/phrases from the unit. Give me a copy of a blank word search along with an answer key. **The answer key MUST be filled out by YOU!** **You must do something with the terms (images or hints) beyond just providing the words.** Minimum of 20 words

Section 3

5. Take 20 of the terms and write either complex sentences using them or write definitions in Spanish. For instance 'el sol' you could write 'la cosa amarilla en el cielo'. You can do this in a google presentation, on notecards, or any other platform of your choosing.

6. Write a story in Spanish using at least 20 of the vocabulary words. Highlight the words. Be creative!
