Capítulo 11: ¡Una rutina diferente!

Please watch the unit calendar on the website for dates for turn in items. Please make sure that you use our vocabulary and grammar. **If you use grammar ideas beyond what we know or give me other reasons to believe that a translation program has been used - the artifact will not be accepted.**

Aperitivos

1. Write an email to Carlos. He is your penpal in the Canary Islands in Spain. Tell him about your morning routine using at least 5 reflexive verbs. Make sure to ask him questions so he has something to respond to! E-mail should be at least 10 complete sentences long in Spanish.
2. Pretend you are at a hotel and need to call down to the front desk because you are missing some items. Write a conversation between you and the person at the front desk. Tell them what you are going to do (like brush your teeth) and what you need (a toothbrush). Write at least 10 sentences.
3. Using pictures from a magazine, explain what your morning routine looks like on a camping trip. Try to use some appropriate humor :-) Write at least 10 sentences.

Postres

1. Create a song/rhyme to remember vocab/grammar from the unit. You may use a new tune or one that we already know. Must use 20 vocabulary words.
2. Create a board game or card game using the vocab. Make sure to actually write out the rules and an explanation of how to win your game (in English). Must be beyond just translation practice. Must use 20 words.
3. Make 10 "word world" themed images of our vocabulary. They need to be about a full page each and be in color.
4. Talk about camping. You are an avid hiker and would like to go on a trip with friends. Find two pictures that deal with camping and describe them. Write 12 sentences in total in Spanish. You need to include the two pictures.
5. Put together a compare/contrast product about your daily routine as compared to that of a family member. Choose someone who is different enough from you so you have something to write about. Write at least 12 complete sentences in Spanish.
